

TOOLS FOR GIVING

Charitable Funds

Great **giving options**.
Choose the one that's
right for you.

Unrestricted Fund. Use your gift to meet ever-changing community needs, including those that cannot be anticipated at the time of your gift. The flexibility of your unrestricted gift enables our local experts to respond to the community's most pressing needs, today and tomorrow.

Field of Interest Fund. Target your gift to address needs in an important area of community life. You identify your personal interest area; our board awards grants to programs making a difference in that area.

Designated Fund. Direct your gift to a specific senior center, museum, church, or virtually any nonprofit charitable organization. You identify the recipient you wish to benefit; our staff manages the annual distribution of funds.

Donor Advised Fund. Enjoy ongoing involvement in the use of your gift. You work with our professional grantmaking staff, identifying ways to address the needs you care about most. You submit recommendations; we distribute grants following board approval.

Corporate Charitable Fund. Simplify corporate giving, and gain some tax advantages, by setting up a corporate charitable fund. The Community Foundation manages logistics and assists with grantmaking.

Scholarship Fund. Help students cover the cost of education. Engage in the process of awarding scholarships, or allow the Foundation to handle the details—publicizing the scholarship, selecting candidates and disbursing funds.

Community Fund. Pool donations with other members of a community to support projects that directly benefit a specific geographic area in our region. Also called a geographic affiliate fund.

Agency Endowment Fund. Create a permanent pool of assets for your nonprofit organization. Save time by letting the Foundation manage the fund, and use income to reduce your dependence on future fundraising efforts.

Establish a fund in your name

Establish any fund in your name, or in the name of your family, your organization, or anyone you wish to honor (minimums may apply). All grants distributed to charities—today and in the future—will be awarded in the name of your fund. It's a great way to always be involved with, and remembered for, your community investment.

Local giving. Lasting value.
